Why did Table Tennis England's membership categories change?

Table Tennis England updated its membership categories from 2020/21 to become more relevant both to current members and potential new members and to diversify the benefits.

In recognition that the current categories weren't suitable for those outside of leagues or the national competition framework, a new membership structure was created to ensure more people become part of the Table Tennis England family, within categories which have been tailored to be more relevant and beneficial to them.

What are the main changes/updates to the Table Tennis England Membership categories after the 2020/21 season?

The main changes are:

- Re-naming the current Player Member and Player Licence – these will now be known as
- 'Compete' and 'Compete Plus'.
- Removing the Associate category and creating a 'Supporter' category, which is aimed at those who don't play but still want to be part of Table Tennis England.
- The introduction of a 'Club Play' category, which will ensure those who are playing in a club setting or regularly elsewhere can purchase a membership that will help them develop as a player and get access to insurance to ensure they're properly protected. It will not cover playing in leagues or national competitions.

FAQS

Membership Categories

I'm a previous Player or Player Licence Member – what does this mean for me?

The main change for you is the name:

- If you were previously a Player Member, you will purchase a **Compete** membership.
- If you previously held a Player Licence, you will purchase a **Compete Plus** membership.

Prices will remain frozen at the same cost as per 2020/21 season

I was previously an Associate Member – what does this mean for me?

If you were an Associate member and are a volunteer, fan, coach, official, parent or lapsed player, and do not current play the game, the best option for you is the Supporter category, which will be free of charge.

It will mean you will still be part of the Table Tennis England family and benefit from priority access and discounts to tickets for major national and international events hosted by Table Tennis England and eNews updates that matter to you.

The Supporter category no longer includes individual player public liability insurance as an inclusion. If you volunteer for Table Tennis England or one of our affiliated clubs or leagues, you will be covered under the Table Tennis England Sports Liability Cover and are suitable to renew or register into the Supporter category.

For more information about insurance please visit

<https://tabletennisengland.co.uk/membership/insurance/members-public-liability-insurance/>

If you play or are coached in a club, but do not compete in Table Tennis England affiliated leagues or competitions, the new Club Play membership is for you.

This category is designed for those who play table tennis but not in national competitions and/or local leagues. It is suitable for those that play in a club setting or socially and means they will hold a membership that will help them to develop as a player. One of the key benefits of this membership is the provision of public liability insurance, ensuring the individual is properly protected when playing in the result of an incident. It also comes with access to member-only prize competitions and resources. This category is not suitable for those playing in Table Tennis England affiliated local leagues or national competitions who will need a Compete membership.

FAQS

Membership Categories

What happens if I am on auto-renewal?

You will be notified by email 7 days prior to the expiry of your auto-renewal payment. This payment will be processed on August 1st if you have not opted out prior to July 30th.

What happens if I am a coach, volunteer, official or fan but I still play table tennis?

If you do play table tennis more than in a social setting (ie. Club) the Supporter Membership is not suitable as you will need to be covered by individual public liability insurance.

If you do play table tennis in a club or are coached in a club, you will require a Club Play Membership.

If you play in Table Tennis England affiliated competitions or leagues, you will require a Compete or Compete Plus, dependent on the level you are at. Please refer to the question above about the different membership categories to find out what suits your needs best.

What happens if my child had a free TT Kidz Membership in 2019/20?

A TT Kidz Membership is free for one year only. This membership will expire, and you will have the option to upgrade your membership. You will be able to choose the membership that most suits your child and their age. If your child is still playing, we recommend either the Club Play or Compete categories.
