- 6.3 There shall not be more than one team from any County in a premier division
- 6.4 A new team will be placed in the lowest division, unless a suitable vacancy occurs in a higher division.
- 6.5 If a team fails to fulfil 3 or more fixtures in any one season, it will be deemed to have withdrawn from

the County Championships but 6.6 will not apply.

7 RELEGATION AND PROMOTION

If this would put two teams from the same County into a Premier Division, the highest finishing team which can be promoted to the Premier Division shall be promoted. - 7.2 In each division, the number of teams to be relegated shall be equal to the total number of teams to be promoted. If teams are level on this count, the ratio of games won to games lost shall determine the relative positions. If this fails to determine the order, the Committee shall decide the order within the division.

9 FIXTURES

- 9.1 Each team shall play one match against each other team in the same division unless there are 5 or fewer teams in the division. In that case, the County delegates for those teams present at the Conference may decide by a simple majority to play home and away against each other in the same season.
