**When you become a member of Table Tennis England, you are helping us to support and develop the sport you love.**

Welcome to this guide to our individual membership categories, designed to help you decide which of our membership offers works best for you.

Our membership structure is intended to ensure more people become part of the Table Tennis England family - and therefore part of the fabric of the sport in this country.

We are continually working to ensure the membership offer you choose is relevant to you. We also work with partners to introduce new benefits which provide our members with exclusive offers, discounts and competitions which add value to their membership. This guide also details those.

Whichever category you choose, when you become a member of Table Tennis England, you are helping us to support and develop the sport you love, making it more inclusive and exciting for current generations and more sustainable for the future.

We look forward to welcoming you all to the Table Tennis England family

# How your membership fees support our sport

When you purchase a membership with Table Tennis England, you become more than a player – you become part of a bigger picture, part of the fabric of table tennis in England and part of a family.

Membership revenue received underpins all of our work carried out as an National Governing Body, which safeguards the sport not only in the present but also for the years to come, ensuring that all our current and future members have the opportunity to enjoy and achieve in the sport, wherever they play and at whatever level.

This encompasses all areas of the sport, from the grassroots of clubs and leagues to schools, youth initiatives such as TT Kidz, elite performance, coach education, national competitions, training of officials, mass participation, safeguarding and promotion of the sport.

You can find out more about this by [clicking here](#).

We hope and trust that our members, current and new, share our vision to safeguard the sport in this way for all participants and will therefore continue to support our work into the future.
