# Welcome...

I am delighted to welcome you all to the English Leagues Cup Competitions Finals for 2021/22 here at Draycott & Long Eaton TTC.

This is our centenary year and we are indebted to our partners at Rocca Creative for their sponsorship of this event. To mark this special year, we also provided free entry to this competition, an offer which I am pleased to say was taken up in great numbers.

All those competing, officiating, coaching or supporting here today are playing their part in an event which is the oldest competition on the domestic calendar, dating back to the first staging of the Willmott Cup in 1935.

The Local Leagues structure is one of the cornerstones of the sport in this country and all the teams here this weekend will be adding to the history not just of these competitions but also their own leagues.

Because of the pandemic, it has been three years since we were last able to stage the ELCC, and I am sure that will make the competition all the more intense over this weekend.

I would like to thank all those Local Leagues who have supported the ELCC over the years, beginning with the zonal stage of the competitions and through to the finals.

I would also like to thank our hosts here at Draycott & Long Eaton, and all the organising committee and officials and umpires who give their time and expertise to ensure the competition runs so well.

I wish everyone an enjoyable weekend.
