**Primary Schools International**

**Oundle School, March 31-April 2, 2023**

On behalf of Table Tennis England, I wish you a very warm welcome to Oundle School for the Primary Schools International.

Whether you are here as a player, coach, official, spectator or volunteer, I hope you have a thoroughly enjoyable three days of competition.

This event, along with the associated Senior Schools International, has a special place in the calendar and is a chance to celebrate our sport with our immediate neighbours in the British Isles and watch the best schools talent from those nations showcasing their skills.

For most of the players here, this will be their first opportunity to represent their country and feel that special thrill and pride which comes when they pull on the shirt.

They are following in the footsteps of players who have gone on to represent their countries at major international events – who knows, perhaps there are future Olympians and Commonwealth Games medallists here this weekend?

I would like to extend my thanks to our hosts Oundle School, to the Table Tennis England Schools Committee for their hard work in organising this event, to referee Dan Bullen and all the other officials, and to our equipment suppliers Tees Sport – a long-standing and committed supporter of schools table tennis.

To all the players here, I say continue to work hard towards you dreams, whatever they may be, and most importantly enjoy the fun and friendship that go hand-in-hand with playing sport.

Good luck to you all.

## WELCOME

On behalf of Butterfly as the official equipment supplier to Primary Schools' International, I am delighted to welcome all of the successful teams and players who have been selected for the Primary Schools' International in Oundle, Peterborough this weekend. Congratulations on your achievement on reaching this stage.

As part of our official equipment supplier agreement, we have provided 16 ITTF approved Butterfly Europa 25mm tables, together with Butterfly National League net and post sets, surrounds, scoring machines and Butterfly 3 Star R40 balls for the competition. I hope that all the players enjoy competing with and on our equipment.

This is the first time that we have supported the Primary Schools International with tables in England. We have supported some of the national teams with kit previously but we are pleased to provide tables, balls and kit for this years competition.

In Oundle our mobile Tees Sport table tennis shop will be present. We are keen to develop a good relationship with international players of all ages and their families and, therefore, would invite you to visit our stand to discuss any particular question or enquiries you have regarding equipment. I would be greatly obliged if you could find time during the tournament to pay us a visit.

Thank you for supporting the Primary Schools' International. I hope that you have a great tournament.

Best wishes
