# Welcome...

A warm welcome to you all to the English Leagues Cup Competitions Finals for 2022/23 at Draycott & Long Eaton TTC.

This is the oldest competition on the domestic calendar, dating back to the first staging of the Wilmott Cup in 1935, so all those competing, officiating, coaching or supporting here today are adding to a rich national history.

In addition to that, the teams which are here representing their local leagues are adding to history at a local level – illustrating that the local league structure is one of the cornerstones of the sport across this country.

I would like to thank all those Local Leagues who have supported the ELCC over the years, beginning with the zonal stage of the competitions and through to the finals.

I would also like to thank our hosts here at Draycott & Long Eaton, all the venues which hosted zonal competition, and all the organising committee and officials and umpires who give their time and expertise to ensure the competition runs so well.

I wish everyone an enjoyable weekend.
