

England Senior Caps – The First Century: From 1923

*First cap

Note – where specific dates are unknown, the details of those internationals are inserted at the end of each season. This could result in a first cap being assigned, to an incorrect match. For World Championships where it is unknown which was the first match played the first cap is marked against the first team alphabetically.

If you have any additional information about these players or the matches or for any amendments, please contact Diane Webb on DianeK1414@hotmail.co.uk
