

## Company Members Meetings

Company Members are invited to attend an informal Q & A meeting with members the Board and Executive Team. The meeting will usually be Chaired by the Chair of Table Tennis England but may also be chaired by another Board member or the Chief Executive.

These meetings are part of our ongoing commitment to establish opportunities for Company Members to have open, and regular, two-way discussions with the Board and Senior Leadership Team on matters related to the sport in this country and the organisation itself. They will not be formal meetings, no resolutions will be considered, no formal voting protocols will be in place; just good, healthy discussion.

Conscious of the time of Company Members, cost of travel and our growing consideration to reduce our carbon emissions, all meetings except the one scheduled for 8 July 2023, which will be a hybrid meeting, will be virtual.

## Meeting Schedule

### Saturday 8 July 2023
