

England Senior Caps in World Championships

Gaining an England cap in a World Championship is the highest level a player can achieve in representing their country. Below is a list of all those who achieved this along with the number of caps and when and where gained – with a few pieces of missing information.

Country names are listed as they were at the time – as far as is known. Ladies' surnames are listed as those under which they played – as far as is known.

If you can help provide any details, make any amendments or confirm your details are correct, please contact me, Diane Webb, on DianeK1414@hotmail.co.uk

Event	Date	Place	Opponents	Players
