

NATIONAL JUNIOR LEAGUE 2023/24

The National Junior League (NJL) was first run in season 1997/8 to fill the gap between the Woolwich Junior British League and Woolwich Junior Leagues. The NJL was formed in response to demands for local competition by grass roots junior players and by the reluctance of many of them to play in evening leagues. Last season, 141 teams played in 12 centres all over the country on 4 days.

Competition this season is planned to take place on the following dates:

Saturdays – 7 October, 18 November, 20 January & 24 February

The following venues have variation(s), agreed by Tournament Approval Panel, as follows:

BATTS – Sundays 19 November, 3 December, 21 January, 25 February

BRISTOL – Sundays 8 October, 19 November, 21 January, 25 February

HALTON – day 3 will be 27 January

HORSHAM – Sundays : 1 October, 26 November, 21 January, 25 February

MORPETH – Sundays 5 November, 10 December, 7 January & 10 March (different players to NCL entrants)

NISHKAM – Sundays 22 October, 19 November, 21 January, 25 February

STOWMARKET – Sundays 26 November, 17 December, 4 February, 10 March (must be different players to NCL entrants)

TUNBRIDGE WELLS – day 1 will be 30 September

WELLINGBOROUGH (Highfield) – 9 December, 6 January 3 February, 9 March

Clubs apply to enter teams of three to play in venues closest to their club's location, thus saving travel and accommodation costs. The preferred option is graded divisions for boys and girls. However, mixed teams and divisions are acceptable to all, but the players will miss out on ranking points when playing the opposite sex if either player has 600 or more ratings points.

The schedule of play guarantees a full day's participation and was based on a six-team division playing on one or two tables with each team playing every other on each of the four days. Each team match would then consist of six singles sets, each the best of five games, with both teams listed in strict ranking order and A v Y, B v X, C v Z, A v X, C v Y, B v Z being the sets played. **This may be altered to nine singles and IS NOW THE PREFERRED OPTION WHENEVER POSSIBLE**, but is dependent on the number of teams entered. **Each day's play must provide a minimum of NINE individual matches per player per three player team.** Medals to a total of 4 per team will be available to local organisers to the equivalent of two sets per six teams entered.

The ranking weighting is 1.0. Players who are registered or play in the Junior British League in the current season will not be eligible to play.

To play in the NJL in 2023/24, players must hold a Table Tennis England Compete membership (previously known as 'Player Membership') or a Compete Plus membership (previously known as a 'Player Licence'). Compete membership (£9 per person per annum) can be obtained online at tabletennisengland.co.uk/membership (AFTER JULY 17, 2023) or from the Table Tennis England Head Office – Telephone: 01908 208898 (AFTER AUGUST 1, 2023). Even though a Compete Plus membership is no longer necessary to play in NCL, if you are intending playing in more than two x 2 star (or higher) tournaments during the season then the best option is to upgrade to, or buy, a Compete Plus membership.

Should you be interested in entering a team(s), please complete the enclosed entry form, team player registration form/ ranking list and send them with the all-inclusive fee of **£90.00 per team** to the organiser (see below). It is advisable to nominate a second choice in case your first choice cannot function. **The Closing Date for entries is September 10th** for all venues, but early returns would be appreciated.

LEAGUE MANAGEMENT

- The NJL will be run by the NJL Committee which is empowered to determine the conduct of the competition, resolve any disputes arising and implement any measures as it deems reasonable. Decisions of the Committee shall be final.
- The term junior shall mean players participating shall be born in 2005 or later.
- Each day at each centre will be managed by an Organiser appointed by the Committee.

- A team may only be represented by players who are registered on Team Ranking List/Reg. Form held by the local organiser (needs to be revised each time a new player is introduced).
- Players will be registered for their team in club/league ranking order and will play in that order. On registering further players, this ranking order is to be revised. Players playing up to a higher team twice will normally become registered for that team in which they have played their second match. No player can play against the same opposition team twice on the same day.
- Clubs may register three players and further as required. - Positions in the division will be determined by the number of points won.
- If two or more teams are equal on points, then their relative positions shall be determined only by the results of the matches between them, by considering successively
 - 1) the number of points (individual matches) won
 - 2) the ratio of wins to losses in games
 - 3) the ratio of wins to losses in pointsas far as is necessary to resolve the order.
