TABLE TENNIS ENGLAND
ENGLISH SCHOOLS' TABLE TENNIS
BUTTERFLY SCHOOL TEAM and
INDIVIDUAL CHAMPIONSHIPS

WV Active, Wolverhampton, 26-27 April, 2025

A very warm welcome on behalf of Table Tennis England to the 2025 Butterfly National Schools Championships.

With more than 400 young players competing across well over 1,000 matches, this weekend is one of the biggest on the table tennis calendar and no fewer than 16 national titles will be decided, across girls' and boys' competitions in four age groups.

This is a vibrant event at which both team and individual honours are contested as the players represent not only themselves but also their schools. Although ours is primarily an individual sport, the team element adds a fantastic element as players support each other in their quest for shared goals.

This year is particularly historic as it is the 50th staging of the individual competition, which began in 1974 (missing two years during the pandemic). This programme includes reflections on the five decades of the competition, including from some of the previous champions who have gone on to achieve great things in the sport.

Current national singles champions Tin-Tin Ho and Liam Pitchford are among previous schools champions, as are Olympians Paul Drinkhall, Sam Walker, Kelly Sibley, Andrew Baggaley and Matthew Syed. Perhaps someone competing this weekend will follow in those illustrious footsteps!

I would like to thank the staff at WV Active for making us so welcome, our Table Tennis England staff and members of the Schools Committee, our sponsors Butterfly and, particularly, to all the volunteers who give their time to help this event run so smoothly. We are, as ever, very grateful for their dedication to our sport.

Finally, good luck to all of the players. You have already worked very hard to earn your place here and I hope you all play well, respect your opponents and, above all, enjoy the experience.

Sally Lockyer
CEO, Table Tennis England

WELCOME

On behalf of Butterfly as the official equipment supplier to English Schools' Table Tennis, I am delighted to welcome all of the successful teams and players who have qualified for the Butterfly National School Team and Individual Finals in Aldersley this weekend. Congratulations on your achievement on reaching this stage.

As part of our official equipment supplier agreement, we have provided 36 ITTF approved Butterfly Europa 25mm tables, together with Butterfly National League net and post sets, surrounds, scoring machines and Butterfly 3 Star R40 balls for the competition. I hope that all the players enjoy competing with and on our equipment.

I am pleased to see that the entry for both the Butterfly National Schools' Individual Finals and the Butterfly National Schools' Team Finals are again very strong and that we have good representation from all parts of England.

I would like to add our thanks to all of the teachers and parents who have travelled to Aldersley for these competitions this weekend to support the competitors.

In Aldersley our mobile Tees Sport Table Tennis shop will be present. In addition to working with Table Tennis England, we are very keen to develop a mutually beneficial contact with all of the schools, coaches and players within the schools' organisation and, therefore, invite you to visit our stand to discuss any particular questions or other enquiries that you may have regarding equipment. I would be greatly obliged if you could find time during the day to pay us a visit.

Our support for English Schools table tennis extends to the England teams that participate in the Schools International tournaments and we were pleased to be of assistance to the team that participated in the ISF World Schools' International in Bahrain in August 2024, the Senior Schools' International in July in the Isle of Man and for this season in Jersey and for the Primary School team that played in Jersey in 2024 and in Wales earlier this month.

Thank you for supporting the Butterfly National School Team Championship and the Butterfly Individual Schools' Finals. I hope that you have a great tournament.

Best wishes

English Schools' Table Tennis - A Look Back in Time!

Celebrating 50 years of the Schools' Individual Championships, by John Arnold MBE

Back in the early 1960s, the English Table Tennis Association (ETTA) embarked on an intensive campaign to spread and increase interest in the game of table tennis in schools throughout the country. In some areas, school competitions already existed, in others, there was virtually no activity. A drive to establish a national structure was needed.

With support from 60 Education Authorities who organised qualifying events, Jack Carrington in his role as ETTA Director of Coaching established regional play-off finals, with the winning boys' and girls' teams competing in the inaugural National Finals in 1967. Teams were of four players aged Under-17 years.

On the occasion of the second National Finals of the School Team Championships for Under-15 and Under-17 boys and girls, held in May 1968, the first AGM of the English Schools' Table Tennis Association was held. ESTTA was born!

By 1970, competitions were held for Under-19, 16, 13 and 11 teams. The Association grew from strength to strength, not only in the number of entries but in the quality of play and presentation of events.

In 1974 the first ESTTA Individual Championships were held. This event was admirably supported by the 51 County Schools' Secretaries who organised County Qualifying rounds. Thanks should be recorded to members of the ESTTA Executive and friends for their time, given freely, to manage the above event.

As we celebrate the 50th Individual Championships, we can look back to the results of the first Championships held at the Northwood Sports Centre, Stoke on Trent on 26 May 1974.

The winners were:

Under-19: Paul Trott (Berkshire) and Anita Stevenson (Leicestershire)

Under-16: Steven Souter (Yorkshire) and Sandra Sutton (Essex Met.)

Under-13: Adam Proffit (Hertfordshire) and Angela Tierney (Yorkshire)

Under-11: Richard Bergemann (Hampshire) and Alison Gordon (Berkshire)

In celebrating 50 years of English Schools' Individual Championships, thanks should rightly be given to the National Championship Organisers for their commitment and dedication:

1974-1984: Eddie Mitchell

1984-1994: Paul Birch

1994-1999: Eddie Mitchell

1999-2010: Dennis Worrall

2010 onward: Gail Johns

Thanks are also due to the equipment sponsors who have always supplied quality equipment for both team and individual tournaments.

John Arnold MBE (left) receives a token of thanks from ESTTA Chairman John Blackband in 2017, the year ESTTA merged with Table Tennis England

English Schools' Table Tennis - A Look Back in Time!

Reflections on the National Schools Individual Championships

Tin-Tin Ho

7 x National Senior Champion

Schools Champion – 2008, 2009, 2010, 2011, 2013

English Schools has always been a competition I looked forward to. It was always such fun being around my teammates/competitors and I have fond memories of competing.

English Schools has helped me develop myself as a player and a person. I remember playing games with my friends around Doncaster even after the competition was finished. These are memories that I cherish. I hope you all enjoy the competition and make the most of it.

Emma Vickers

Head of Pathway Development

Schools Champion – 2002, 2004, 2008, 2009

The Individual Schools National Finals was always an important event for me in my competitions calendar. I am incredibly proud that I was able to win the event across multiple age groups and in particular my first ever National Schools title when I was 11 years old, of which I have fond memories.

This event ignited my motivation to continue focusing on table tennis and progressing further in the pathway.

Connor Green

Current under 21 and Junior number 1

Schools Champion – 2017, 2019

It was a really big achievement for me to win 'The Schools' as it is a big tournament with all the best players entering. It gave me great match experience and also by winning, it meant that I would represent England at the Home International tournament, which was very good for me.

Gavin Evans

Director of Performance Development

Schools Champion - 2003, 2004, 2006

Winning the National Schools for the first time was a great achievement for me as it gave me confidence that I was on the right track and gave me a sense of belief to progress through the pathway. I remember fondly the friendships I made along with the amazing teachers, coaches and volunteers who made this enjoyable for us all to compete. This has provided memories for life.

THE INDIVIDUAL CHAMPIONSHIPS

We have a group system of play and TWO from each group go through to the knockout stages. There is no consolation event. We cannot announce every match as it would mean almost constant use of the public address system.

Your matches as shown in the programme will be under the strict direction of your table controllers. **Hence you must stay in constant contact with them. If you are not available to play when you are called you will automatically be scratched from that match.** Your co-operation is needed as we have over 800 matches to play today!!

The system for deciding the final positions in each group is calculated as per ITTF Regulations for International Competitions 3.07.05

(For each match in a group, 2 match points will be awarded for a win, 1 match point for a loss in a played match and 0 match points for a loss in an unplayed or unfinished match.

The ranking order shall be determined primarily by the number of match points gained.

If two or more members of the group have gained the same number of match points their relative positions shall be determined by the results only of the matches between those being equal, taking successively the ratio of wins to losses in games and points).

All group matches will be played on tables within a designated block. All players will be given a schedule of their matches and umpiring responsibilities. Be sure to be present at the correct table.

Please scan the QR code on this page or on one of the posters around the venue to download editable National Finalist certificates.

No player, regardless of age, will be allowed to buy or consume alcoholic drinks on the premises during the Championships.

English Schools Table Tennis and Table Tennis England are rightly proud of their reputation for good and sporting behaviour at all of its events. I am sure that you will do all you can to maintain this.

Finally, we wish all competitors good luck and I hope that you enjoy your time here at the National Finals.
