

v.2

01 December 2025

Dear Club Secretary/ Team contact,

Girls' Cadet British Clubs Leagues – season 2025/26 Pilot

Please note that the [MEMBERSHIP](#) link is for individual players to buy/ update individual memberships and for clubs to create/ renew affiliations; the [REGISTRATION](#) link is for officers of affiliated clubs to manage their team entries and player registrations; the [HOST VENUE](#) webpages will be live when team entries are allocated to specific venues – this is where players and clubs can see their fixtures/ tables/ stats, clubs can manage their player rosters, and are also used by hosts to manage their divisions.

Please find the season details for 25/26, and kindly note the following:

1. Please note that clubs must be affiliated to Table Tennis England as a Premier, Associate or Registered Club/ Team. As of 01 August (new membership year), all Club details for each team will be validated and checked against the Table Tennis England membership database. Your entry may be rejected if not completed as required
2. Team entry, player registration and payments are **online** via the [TT Leagues registration](#) website. This functionality is accessible to designated administrators of your club, once they have logged-in. Administrators for your club can be managed via your club's profile in [TT Memberships](#). Video tutorials have been produced for the same processes which already exist in British Clubs League, and which are largely consistent with CadetBCL/ JuniorBCL:
 1. <https://www.youtube.com/watch?v=HHIToGBNtrE> and
 2. https://www.youtube.com/watch?v=nq_RzpKzGUIThese serve as an introduction to the entry functionality, and provide an overview of how to submit your team entries, player registrations, and make payment online.
3. Full payment of £80 per team will be required with entry
4. During entry, teams will be required to register a minimum of 2 eligible players
5. Please see the separate note on Player Licensing below
6. Please also note that all players **must** be individually affiliated in *TT Memberships* to the Club/ Team the player wishes to represent (in the same way as for local leagues). Players will **not** be able to be registered or selected for your club in the TT Leagues platform if this is not the case. Individual players can check and update their affiliations by [logging-in to their membership](#) and checking under 'Club & League Info'. Clubs admins can also check which players are already affiliated to their club in [TT Memberships](#)
7. During entry, teams will be required to specify their preferred geographical venue, plus their preferred alternative(s)
8. The Committee will endeavour to place all teams in an appropriate geographical playing venue, based on their indicated preferences. Clearly, given the number of teams applying from certain

areas, this is not always possible. Applications for entry are therefore made in the knowledge and full acceptance that some travelling may be required.

9. Fixtures, leagues, results and stats for Cadet & Junior British Clubs Leagues will continue to use the TT Leagues platform

This will be a 1-year pilot for the 25/26 season and will be reviewed in Spring 2026 for the 26/27 Season.

We appreciate that some clubs will require support to complete the requirements – please do contact us on CadetBCL@tabletennisengland.co.uk for assistance as required

For full details of how the CadetBCL competitions operate, please see the *Operational Processes guidance document* on the [event webpage](#)

We very much look forward to seeing you at the Girls' Cadet BCL Pilot events this season!

Best wishes,

Neil Rogers

Head of Competition & Events
