## About the competition

The U11 & U13 Pathway Development Cup is a new addition to the competition calendar for the 2025/26 season.

It provides a team competition opportunity for players from those two age groups who are currently part of one of the Table Tennis England network of Pathway Development Centres (PDCs) around the country. Each PDC selects a boys' team and a girls' team from each age cohort.

It also acts as a springboard to British Clubs Leagues (eg CadetBCL) and is therefore an important milestone in a young player's development.

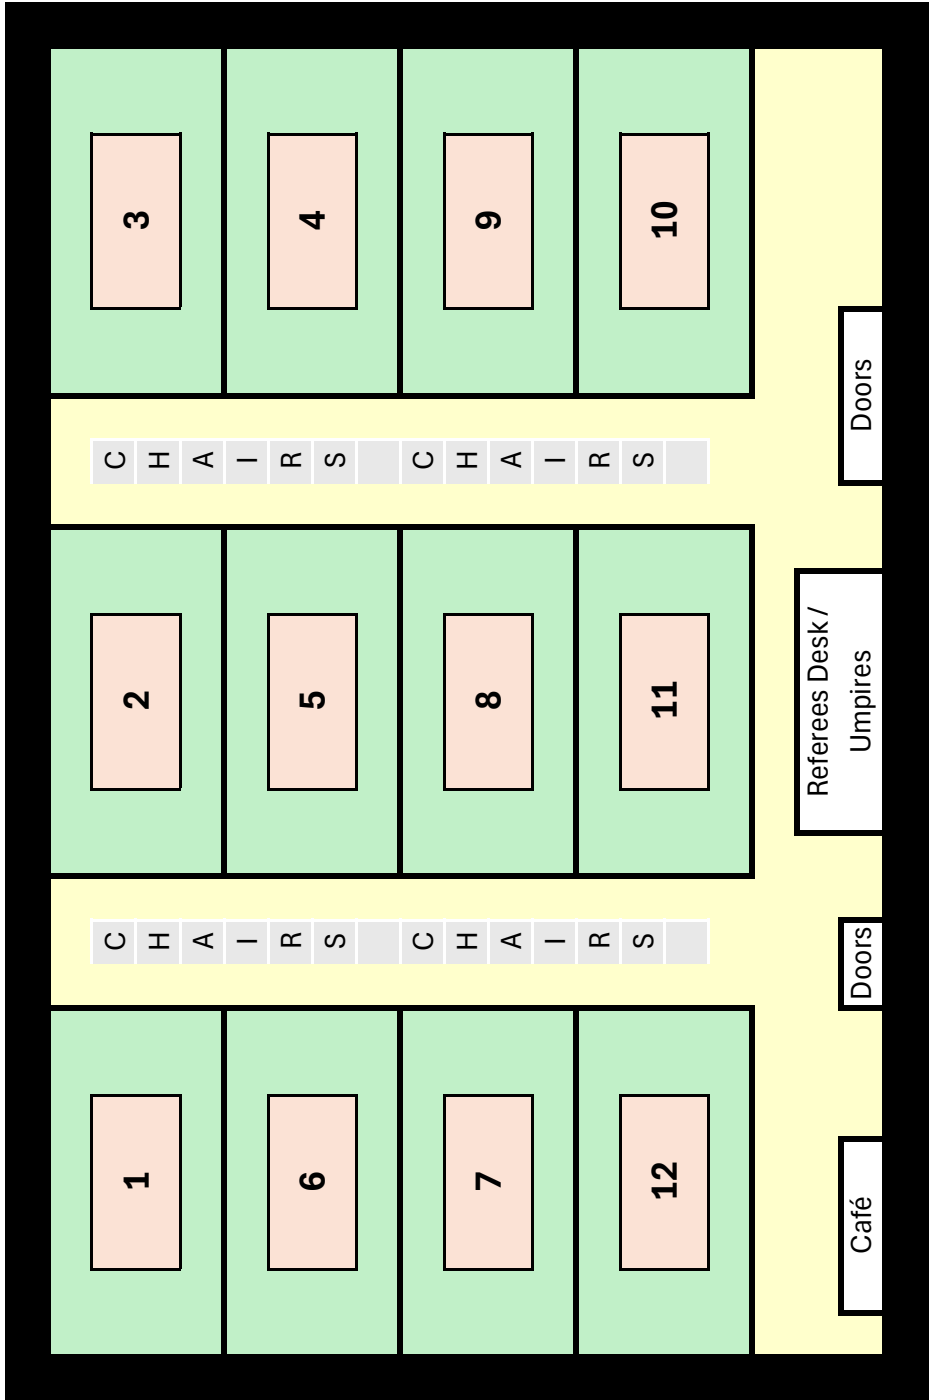

The format sees teams of two (minimum) play in the Corbillon format:

- 2 singles
- 1 doubles
- 2 singles
- All matches are best of three games due to the large number of matches played over a single day (U11 Girls will be best of five, as fewer teams in this category)
- All five matches in each fixture are played, with the victor earning one point
- The competition is round-robin, leading to a final league table

Follow all the results from today on the TT Leagues website, by scanning the QR code on the right.
