<p>Rationale: (not more than 250 words)</p> <p>An independent review needs to take place with regard to the U17 &amp; Cadet Championship where for much of the days the majority of tables were not being used for the competition and there was an opportunity to give twice the number of players the chance to play in the National Championship which would increase the interest in the event and benefit to the junior game.</p> <p><b><u>BOARD RESPONSE</u></b></p> <p>Board is happy to review this and will ask the Competition Committee to consider the pros and cons and make a recommendation. (This fits within the CC's terms of reference.)</p>
